Lake Shore Middle's annual coronation

The Lake Shore Middle School staff invites the public to attend the annual coronation on Wednesday, November 3, at 7:30 p.m. in the school gymnasium.

Candidates will compete for "Mr. and Miss 6th Grade" and "Mr. and Miss 7th Grade" and "Mr. and Miss Lake Shore Middle School".

If you were or you know of a friend or relative who was a former "Mr. or Miss Lake Shore Middle School", please contact Cora Edwards at Lake Shore Middle School at 996-4960.

Medicaid class offered

The Palm Beach Area Chapter of the Alzheimer's Association will be holding a class on Medicaid. Some of the issues to be discussed will be the application process and the required qualifications.

The class will be Thursday, October 28 at 3 p.m. at the Good Shepherd Church of God, 1800 Bacom Point Road, Pahokee.

This class is open to the public and care can be provided for loved ones while participants are in class. There is no charge for the class or care provided during the session.

For more information, call Nancy Rinkunas, R.N., Family Consultant at 924-7283.

Young at Heart

The Young at Heart group will meet for a pot-luck meal at noon on November 4 at Jameson Hall in the Community United Methodist Church.

The Rev. Jackie McMillan will present a program. Anyone who has not attended one of these meetings is welcome to participate with those who regularly attend.

Boy Scouts to help with food drive

The local Boy Scouts of America will be participating in the Food For Families drive. Locally, the Scouts will be putting out special bags for donations of canned and packaged foods on Saturday, November 6 and picking up the bags on Saturday, Nov. 13.

This year, the supplies raised will be used for the Holiday Store, a distribution of food and clothing to the needy that will be done in December at the National Guard Armory.

New Bookmobile service in area

Changes have been announced in the service to the Glades of the Palm Beach County Library Bookmobile.

The Bookmobile will return to Villa Lago for the winter months, beginning Nov. 1 and a new stop at the East Coast Migrant head Start Center on Duda Road has been added to the schedule. Service to Osceola Center has been discontinued. For more information call 996-9644.

Mercedes Robinsons named Belle Glade's Citizen of Year

A retired educator was given the title "Citizen of the Year" by the Belle Glade Chamber of Commerce during ceremonies Tuesday night.

Mercedes Martin Robinson was presented the coveted award by Mrs. Dolly Hand who said Mrs. Robinson has touched the lives of many in the Glades.

"As a teacher and community leader, she has dedicated a lifetime to improving and enhancing the lives of others through talent, commitment, and hard work," said Mrs. Hand.

Mrs. Robinson, a widow with one son, was recently recognized by the Palm Beach County School Board for 39 years of service to education. In addition to being a classroom teacher from 1947 to 1965, she served as a Glades area resource teacher, an elementary education specialist, a principal, and area elementary education administrator, and was the first female area assistant superintendent.

Mrs. Robinson is a graduate of Bethune-Cookman College with a B.S. degree in elementary education. She earned certification in sociology and religion from Fisk University and holds a Master of Education from Tennessee State University.

She is a member of the U.S. Sugar Corporation Scholarship Committee, Wee Care Child Development Center, Katherine Price Foundation, Dolly Hand Cultural Arts Center Advisory Board, Palm Beach Community College Advisory Board, Human Relations Council, Urban League of Palm Beach County, West County American Red Cross Advisory Committee, and the Mt. Zion A.M.E. Board of Trustees.

Also, she has the distinction of being the first female chairman of the Belle Glade Civil Service Board.

Doug Thompson, Sr. was named the Agri-Industrial man of the Year by Chamber officials.

Mr. Thompson, who grows primarily green beans and cabbage in the Glades, came to the area in 1925 with his family for a visit.

"I was just a small boy, but I fell in love with the area," he said.

He moved to the Glades in 1946 with his wife, Ruth and sons Doug and Charles. The couple had three more children, Margaret, Ann and Bill.

Mr. Thompson, now a widow,

Georgia man charged with homicide in death of Towell

The co-owner of Lester Towell Distributors, Inc., of Belle Glade, died Oct. 11 after an incident in a motel bathroom in a Tifton, Georgia, motel. Fred Towell of 1732 SE Avenue J, Belle Glade is dead at age 40.

Murder charges have been filed against Robert Shane Raper, 19, of Vienna, Ga.

Mr. Towell's sister, Jennie Woodard, said her brother was in the motel that Monday night watching a football game in the lounge when a group of men came in. She said one of the men recognized her two brothers as having been at a festival earlier in the month called the Big Pig Jig. At the festival there were some arrests made for drug possession, but Mrs. Woodard said her brothers were not involved in the incident. They had gone to the festival to look at some of the barbecue grills used in the cook-off.

"As a matter of fact, Fred had

one of the grills made after he returned home," she said. One of the men made some comments about the drug arrests, she was told, and the Towell's knowing about the incident.

Mrs. Woodard said her brother, Ray told her that about 30 minutes later, Fred went to the restroom and when he came out he was bleeding profusely from the head. Ray said Raper ran out of the bathroom shortly after.

Fred Towell collapsed and Ray administered CPR. Fred was taken to Tift General Hospital where he was pronounced dead. An autopsy showed Mr. Towell died from trauma to the head and the death was ruled a homicide. Raper was booked in the Tift County Jail charged with murder.

Funeral services for Mr. Towell were held Friday, Oct. 22 at Everglades Presbyterian Church and interment was in Port Mayaca Cemetery.

Flag football drawing over 100 children in Pahokee

By Tammy Jackson
Staff Reporter

The recreation department is receiving a warm reception according to Ron Osborne, director of the Pahokee Parks and Recreation. He said the opening season has been good, and he commended the parents concerning their interest in their children. "There have been times when the parents would drop their kids off and leave," Mr. Osborne said. "Now they're staying and showing support for their kids."

Mr. Osborne reported that the flag football program recently got under way and there are 100 kids participating. "The kids are doing real well in the program," Mr. Osborne commented.

The adult basketball league recently began its season and is comprised of seven different teams. Mr. Osborne said, "The league is going quite well and the guys are really enjoying themselves."

Mr. Osborne mentioned he would like to see people coming to witness what the children and adults are doing as a part of the community.

Within the soccer program, there are more adult participation opposed to youth participation, according to the director.

In the works within the recreation department is an intermediate and low impact aerobics program. Mr. Osborne said the department is presently in the process of coordinating a schedule for the classes for the young ladies. "The men are also interested in the program and they have mentioned that they would also like to work with the ladies and possibly make it a co-ed class," he said. Commissioner Roy Singletary commented, "I want to commend Mr. Osborne on the work that he has done within the recreation department. Everywhere you go in the city residents are making compliments."

At the close of his presentation, Mr. Osborne invited all city commissioners to the game that will be held Saturday, Oct. 30. He said that the new uniforms will be in and he would like for the commissioners to view what the recreation department is accomplishing in the community.

Police give Trick-or-Treat time schedule

Because Halloween falls on a Sunday this year, the Belle Glade Police Department is recommending children trick-or-treat on Saturday evening from 5 to 7 p.m. South Bay Police Chief Roy Humston said he prefers children go door-to-door on Sunday from 5 to 7 p.m. and South Bay Police Chief Carmen Salvatore said he hopes children, accompanied by an adult, will trick-or-treat Saturday evening from 4 to 7 p.m. Citizens are asked to drive slowly on residential streets and watch out for the children.

In other business:
*Pahokee Mayor Ramon Horita, named November 1993 as Alzheimer's Awareness Month in Pahokee.

*Commissioners adopted an ordinance to revise garbage rates.

*Commissioners were brought up to date on the high school gym renovations. Ken Schenck, Pahokee City Manager, said that there are still a few minor repairs to be made but the gym is ready for operation. *Commissioners appointed Pahokee citizens Amy Kelly and Mary Jackson to the Pahokee Code Enforcement Board. Ms. Kelly and Ms. Jackson will both serve a three-year term.

*Commissioners advised the city manager to execute a contract for bid on demolition at the old high school site. *Commissioner Singletary suggested that mosquito spraying be increased due to the encephalitis outbreak that has been recently reported. He mentioned that homecoming festivities will begin soon, and he said that it would be advisable that additional spraying be done for that.

Harvest season begins at U.S. Sugar

By Brenda Bunting
Editor

The annual harvest of Florida's sugarcane crop at United States Sugar Corporation began last Monday and Sugar Cane Growers Cooperative's season starts Nov. 1.

Mechanical harvesters and approximately 2,100 guest workers who come to Florida

primarily from Jamaica for the harvest season, will start cutting approximately 120,000 acres of U.S. Sugar's cane.

Sugar Cane Growers Cooperative is in its second season of using mechanical harvesters to cut 100 percent of their cane. The cooperative represents 54 grower members.

Sugarcane is grown on

approximately 400,000 acres of rich farmland along the southern shores of Lake Okechobee.

Florida is the largest United States producer of raw sugar, providing one in every five teaspoons of sugar consumed in the United States.

The sugar industry has an economic impact that exceeds \$1.5 billion annually.

Encephalitis carrying mosquitoes found in area

By Brenda Bunting
Editor

Residents are warned to cover up this weekend while taking children trick-or-treating or spending time outdoors after dark.

Officials with Environmental Health for Palm Beach County have found encephalitis carrying mosquitoes in an area between Belle Glade and Pahokee. The health department routinely bleeds chickens housed in a remote area off S.R. 715. Last week, according to Quinn Bass with the Environmental Health, one chicken tested positive for the St. Louis encephalitis virus.

Mr. Bass said the chickens were tested again Monday and he should have the results on Friday.

The virus is passed to humans when they are bitten

by mosquitoes carrying the disease. It causes fever, chills, and neck stiffness, and in some older adults, has caused death.

Residents are urged to wear long-sleeved shirts and pants while outdoors. Officials are hoping that cooler weather will drive some of the mosquitoes away.

The City of Belle Glade will be doing aerial spraying on Saturday.

There are 38 different varieties of mosquitoes in Florida. This mosquito *Culis nigripalpus* starts getting active about 15 minutes after sundown and stays out for over two hours. The recent wet conditions have caused more mosquitoes to hatch, although experts say mosquito larvae can hatch after five years incubation. The female mosquito is the only one that bites.

Two-year-old killed...Markay Roberts died of a broken neck after his grandmother, Alma Gilmore, 52, drove off the road and into a canal on the corner of S.W. 8th Street and S.W. Avenue G last Friday afternoon. Mrs. Gilmore was taking her grandson to his home at 849 S.W. Avenue J, Belle Glade when she lost control of her van and ran into the canal. Belle Glade Police Officer K.P. Fisher got to the scene within minutes and dove into the canal and pulled the boy from the water. He was taken to St. Mary's Hospital where he was pronounced dead about 3 p.m. Shown on top of the van is Firefighter Brad Caudell with Driver Engineer Vince Taylor at the side.

He was graduated from Ochlocknee High School at age 16 and attended Oglethorpe University in Atlanta, Ga., on a partial football scholarship.

He has been active in his church, the First United Methodist Church of Belle Glade for 47 years and helped found Belle Glade's first little league baseball program in the early 1950's. He also did extensive work in helping build and support athletic programs at Belle Glade High School.

Joseph Orsenigo, who presented the award to Mr. Thompson, said "He has always given much effort, without question, hesitation, and reward, to community, church, and individuals. His heart is bigger than he is."

A 20-year veteran of the Belle Glade Police Department, Sgt. Curtis Stambaugh, was named Police Officer of the Year.

Sgt. Stambaugh was chosen Police Officer of the Month by his peers in December 1992. He and his wife, Inga, have two children, Shawn and Rebecca.

Douglas Richards was named Firefighter of the Year. He has been with the Belle Glade Fire

his firefighter certification from the State of Florida in January, 1991.

He has been a State of Florida Emergency Medical Technician for four years and has completed courses in hazardous materials I and II, private fire protection systems, fire apparatus operation, fire service hydraulics and AIDS/HIV prevention.

In April of last year he was promoted to the position of Driver Engineer. Fire Chief Tony Tuliano, who presented the award to Mr. Richards, said, "Throughout his career with the fire department, he has responded to hundreds of calls for assistance from citizens of our community in their time of need. His professionalism and compassion for others make him truly deserving of this award."

The Community Pride Award was presented to Palm Beach Community College, Glades Campus for their enhancement to the community. Provost Helen Franke accepted the award from Jayne Meadows, Chamber Director. The college has been open in the Glades since 1973.

Agri-Industrial Man of the Year Doug Thompson poses with his family after winning his award.

Holiday Bazaar

The United Methodist Women of Community United Methodist Church of Belle Glade will be having their annual Holiday Bazaar and Bake Sale on Saturday, November 13, from 8:30 a.m. until 1 p.m. in Jameson Hall at the church at 401 S.W. First Street, Belle Glade.

They will offer for sale a wide selection of handmade items, including pillows, dolls, Christmas decorations on tree ornaments, holiday arrangements and wreaths, wall hangings, and toys.

There will also be homemade jellies, cakes, and candies for future use and soup, chili, and Cuban sandwiches to be eaten there or taken out.

Also, participants can visit the Second-Time-Around Shop to hunt for attic treasures. Registration will be held for a door prize which will be given away later in the day.

Dads Against Discrimination, Inc.

D.A.D.S. (Dads Against Discrimination Inc) is a support group for separated or divorced non-custodial parents who want to maintain a strong parent/child (ren) relationship despite a separation or divorce.

Meetings are held the second Tuesday and fourth Wednesday of the month at 7:30 p.m. at Santaluces High School on Hypoluxo and Lawrence Roads (West of I-95), Lantana.

Local non-custodial parents who would like to participate will be welcome. For more information call 407-655-3237.

Showing our impact

The Ladies of the Lake, U.S.A. are still selling stickers that read "Paid with South Florida Agricultural Dollars."

The group would like Glades residents to use the stickers on all their checks to make others aware of the tremendous economic impact Glades farmers have on all of Florida and the nation.

The stickers can be purchased for a small fee at the Belle Glade Chamber of Commerce.

Arts & Crafts show

The American Legion Auxiliary and the West County Senior Citizen Center have joined forces to hold an arts and crafts show and white elephant and yard sale on Saturday, November 6 beginning at 8 a.m.

The event will be held at 101 S.E. Avenue D, Belle Glade.

Why is FPL charging extra?

I would like to know why the customers of FPL have to pay extra every time they go into someone's business to pay their light bill.

These businesses weren't hired by the customers and I don't see why the customers should have to pay.

The economy is already hard for people and I would like to know why FPL put something on us without our knowledge.

Kudos to Glade View teachers

I understand the teachers at Glade View Elementary spent their Monday morning cleaning up the road along SR 715 in Belle Glade.

I'd just like to say thank you to these teachers for doing this.

I wish more people would join the Adopt-A-Highway program and help clean up our roadsides. If I had another wish, I'd wish people would stop trashing our country.

Letters to the editor

Dear Editor:

I was Ken Schrimsher's father-in-law. This death should not have happened.

I have known Ken for 30 years and he was an honest man. The Palm Beach County School Board's investigation and the articles in the Palm Beach Post, in my opinion, were what killed him.

What a loss!

Sincerely,
Lewis Friend

Dear Editor:

Veterans who served in China, Burma, and India in World War II are invited to a reunion,

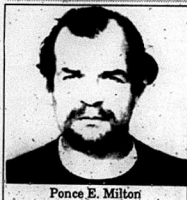

December 2, 3, 4, and 5, 1993, at the Hilton Inn Gateway in Kissimmee, Florida.

If you are a CBI Veteran, please send your name, address, and phone number to John F. McGuire, 6736 Raspberry Drive, New Port Richey, Florida 34653-4561. I will send you information about the reunion.

If you can recall your unit and where you served, include that also. If you cannot or do not wish to attend a reunion, but wish to join a local unit (BASHA), I would still like to hear from you. I will put you in touch with CBI Vets in your locality.

Sincerely,
John F. McGuire

Oct. 24-30 is Palm Beach County Adult Immunization Week

The National Coalition for Adult Immunization has proclaimed Oct. 24-30 for Adult Immunization Awareness Week.

As winter approaches, bringing its yearly share of illnesses and death from infectious diseases, all adults are urged to obtain their immunizations, particularly for influenza and pneumococcal pneumonia.

Cities and states nationwide are participating in this awareness effort as part of National Adult Immunization Week. The campaign, coordinated by the National coalition for Adult Immunization and involving scores of health care and consumer organizations and government health agencies, strives to inform adults of the importance in obtaining protection against eight potentially fatal or debilitating illnesses: influenza, pneumococcal pneumonia, hepatitis B, rubella, measles, mumps, diphtheria, and tetanus. For influenza, the campaign's goal is the same as that of the US Public Health Service's objectives stated in Healthy People 2000:

Immunization of 60 percent or more of the country's high risk adult population.

Each year tens of thousands of adults in the United States die of pneumococcal pneumonia and influenza. Most of these deaths are needless.

Safe and effective vaccines are readily available for both illnesses. Influenza shots must be taken yearly, ideally in the fall, to protect against the virus strains that are seen that year. The pneumococcal pneumonia vaccine, however, provides protection for most people for at least six years.

High risk groups, such as persons age 65 or older or those who have chronic lung, heart and metabolic diseases, must be especially conscientious about obtaining vaccines against influenza, and pneumococcal pneumonia.

Many other non-seasonal infectious diseases which affect adults, such as tetanus, diphtheria, measles, mumps, rubella, and hepatitis B, also could be easily prevented by simple inoculations.

Congressman Alcee Hastings wants ban on handguns

Congressman Alcee Hastings (D-FL, 23rd) participated in a press conference recently with Congressman Major Owens (D-NY) to emphasize the urgency of passing Owen's bill, The Public Health Safety Act of 1993.

Hastings and a dozen other members are cosponsors of this legislation. Owen's bill will ban handguns by prohibiting importation, exportation, manufacture, sale, purchase, transfer, receipt, possession, or transportation of handguns and handgun ammunition, and by establishing a six month grace period for turning in all handguns.

"America needs a ban on handguns right now. We cannot afford to wait any longer. People are killed every hour in our schools and neighborhoods. Firearm injuries are responsible for more deaths of U.S. teenagers than all natural disasters combined," Hastings said. "We need to change our attitude and start thinking about ways to prevent gun violence. The Owens bill will be an important first step toward bringing our country's homicide crisis under control," Hastings

stated. H.R. 3132 includes valid exceptions to the handgun ban for federal, state, and local government, including military and law enforcement; collectors of antique firearms; certain federally licensed handgun sport clubs; certain federally licensed professional security guard services; and certain licensed dealers, importers, or manufacturers approved by the Secretary of the Treasury.

Giant billboard protesting NAFTA makes its way to Washington

A delegation of members of Congress headed by Democratic Majority Whip David Bonior (D-Michigan) and Representative Tom Lewis (R-Florida) and Karen Thurman (D-Florida) Thursday received a giant billboard bearing thousands of signatures from Florida farm communities protesting the proposed North American Free Trade Agreement (NAFTA).

More than 200 Florida farmers who came to Washington last Thursday to participate in a rally against NAFTA made the presentation at the foot of the Capitol. They were joined by other groups of people representing business organizations and organized labor at the nighttime gathering.

The rally was organized by a coalition of Florida farm groups under the banner D.U.M.P. (Defeat Unfair Mexican Pact) NAFTA. It was led by Florida Agriculture Commissioner Bob Crawford. The giant billboard began its journey to Washington on Sept. 3 at a rally sponsored by South Bay Growers in the farming region south of Lake Okechobee, where most of the country's winter vegetables are grown. The billboard stopped at five other cities on its journey, where local residents, concerned that their jobs would be moving soon to Mexico if NAFTA is approved by Congress, signed it.

Commissioner Crawford told the gathering that Florida stands to lose one third of its \$6 billion agricultural industry and 50,000 jobs because of unfair competition created by the proposed agreement.

"NAFTA threatens our food security," Crawford said. "It will make us dependent on a foreign country for a vital part of our food supply for the first time in our nation's history. That's bad public policy." The D.U.M.P. NAFTA coalition brings together growers of fresh fruit and vegetable crops, citrus, sugar and peanuts as well as farm worker advocate organizations, food packers, processors and transporters.

"Florida's farmers, who produce 50 percent of the nation's supply of fresh fruits and vegetables in the wintertime, are being sacrificed," said Clarence Anthony, mayor of the farming-dependent town of South Bay near the south shore of Lake Okechobee. "Our jobs will move to Mexico and there are no replacement jobs for the people in our community."

Rep. Bonior said he wanted to applaud the farmers who made the long trip from Florida to protest NAFTA. "To me, the signatures on this billboard mean more than anything Lee Iacocca—or any of the other former presidents—has to say about NAFTA, because these are the people who will lose their jobs if NAFTA goes through. We cannot and we will not allow American jobs to become our number one export."

Lewis and Thurman told the crowd that they, along with an overwhelming majority of the Florida Congressional delegation, are committed to defeating NAFTA. Twenty members of the Florida Congressional delegation are pledged to vote against NAFTA when it comes before the House of Representatives next month.

Commissioner Crawford said if NAFTA is adopted, the current modest tariffs on imported Mexican produce would be eliminated. "Since Mexican Farmers

have the advantage of free or subsidized land, child labor, no minimum wage or workers' compensation requirements and tax enforcement of sanitation and food safety laws, they would enjoy a significant competitive advantage over Florida farmers."

Farm leaders also expressed concern that produce grown in Mexico may not be as fresh, safe and wholesome as Florida produce. Mexican growers use pesticides that are banned in the United States, and rivers flowing through agricultural regions are often contaminated with raw sewage. Enforcement of environmental laws and regulations has historically been lax throughout Mexico, they pointed out.

Crawford explained that existing competition between Florida and Mexico also keeps food prices low. If Florida is pushed out of the market and Mexico has a monopoly, prices may rise.

"Before Hurricane Andrew hit the Miami area, Florida limes were selling at \$8 a box. After the storm, when Florida was out of the market, Mexican limes jumped to \$25 a box," Crawford said. "Under the current system, Americans spend only 10 cents of every after tax dollar on food. It is the lowest in the industrialized world. Why do we want to sacrifice this success?"

"NAFTA is not a trade agreement. It is an investment insurance plan for companies who want to move their operations to a low wage, low overhead and low regulation environment in Mexico," said Crawford. "Putting Americans out of work for this scheme makes no sense."

Freddie Krueger costume popular at Halloween with kids of all ages.....

Freddie Krueger, the horror film character who stalks and murders children, is a kid's worst nightmare. But on Halloween, the gruesome Freddie is a popular costume choice of children.

Florida State University psychology Professor Wallace Kennedy, who studies child behavior, says Freddie Krueger is more than just a scary face.

"Children are confronting their worst fears when they wear these costumes," Kennedy

said. "They are replacing their vulnerability and powerlessness with bravado."

According to the "Nightmare on Elm Street" story line, Freddie comes to life and kills children when they enter his world through dreams.

Still, for trick or treaters, Freddie Krueger costumes, and the equally frightful "Texas Chainsaw massacre" mask, are top-selling Halloween get-ups.

The gorier the costume, the better children like it," said

Carolena Flanagan, assistant store manager of Spencer Gifts in Tallahassee.

FSU's Kennedy said peer pressure may account for some children cladding themselves in horrific outfits.

But many children also may be trying to gain control over their fears when they wear these masks, Kennedy said. Children often have used dolls and other figures to help them cope with their fears and anxiety, he said.

Ghost and Goblins will be coming to your door looking for treats, not tricks.....

Homeowners can make their neighborhood safe for trick-or-treaters this Halloween by taking a few simple precautions, according to the home security experts at Rollins Protective Services.

"It is important to inspect your home and yard for obstacles, especially if you expect a lot of late-night trick-or-treaters," advised Bob North, Rollins' consumer specialist.

Here are some tips Rollins recommends:

* If possible, an adult should stay at home to welcome trick-or-treaters while another adult escorts children throughout the neighborhood.

* Work with your neighbors to determine safe routes children can take through the yards, driveways, etc., and to encourage early evening trick-or-treating.

* Clear your garage, lawn and walkway of any tools, toys and other items that may be in harm's way.

* Use electric lights or luminary bags to light your front walk; cut scary faces in the bags to add to the Halloween spirit;

* Signal you're expecting trick-or-treaters by lighting only the door you want them to use; decorating the door helps let them know which entrance you'd like them to knock on during the early hours;

* Keep dogs and other animals under control and away from the front door.

If you don't plan to be home, ask a neighbor to keep an eye on the house. Leave your front door lights off and set your alarm system," added North.

"In addition to the home, parents should continue to practice safety concerning their children's costumes," North said. "Put glow in the dark safety stickers on the costume and the candy bags to help increase visibility."

Police Departments are recommending that Saturday, October 30, be designated as the night for Halloween celebrations and children may "Trick or Treat" from 5 p.m. to 7 p.m. South Bay Police Department is recommending children trick-or-treat on Sunday from 5 p.m. to 7 p.m.

The following are some suggestions to children and parents for a safe Halloween, courtesy of the Belle Glade Police Department.

Costumes:

1. Keep costumes simple. Long and fancy ones could cause children to trip. Costumes should also be fireproof.

2. Costumes should be made of white or light-colored materials, to be easily seen at night. Reflective patches or strips can also be added to the costume.

3. Regular street shoes should be worn as opposed to fancy "clown" or "pirate" shoes, etc.

4. Props, such as guns or swords, should be made of styrofoam or cardboard.

5. If jack-o'-lanterns are carried, a flashlight should be inside instead of a candle.

6. At least one person in each group should carry a flashlight.

Instead of wearing masks, paint faces with make-up.

7. Apply a thin coat of cold cream before applying the make-up (make-up will come off easier).

Treats:

1. Never eat anything until after you are home and the treats have been examined.

2. Cut and wash fruit before eating.

3. Throw away anything unwrapped.

4. Check the wrappers of commercial treats for signs of tampering.

5. Notify the police if a

harmful item is found.

your arms free.

Parties:

1. Older children should attend parties instead of going trick-or-treating.

2. Younger children may enjoy attending a party organized by concerned parents in the area instead of going trick-or-treating.

Trick-or-treat:

1. A responsible adult, or teen, should accompany each group.

2. Try to limit the group size to four or five.

3. Trick-or-treating should be for small children only. If the child is too old to be accompanied, he is too old to go trick-or-treating.

4. Walk! Do not run while going trick-or-treating.

5. Stay in your own neighborhood and only go to houses which have porch lights turned on.

6. Parents should know exactly what route their children are taking.

7. Never enter a strangers house - even if invited.

8. Carry trick-or-treating bags that have handles to keep

Parents:

1. To avoid encouraging children to enter a stranger's house, never invite trick-or-treaters into your home.

2. Give wrapped homemade treats only to children you know and wrapped commercial treats to others.

3. Be certain that your children are accompanied by an adult or a responsible teenager.

4. Know which friends your children will be with.

5. Do not leave your home unattended on halloween night.

6. Leave your porch light on so children will know it is okay to visit your home.

7. Keep your pets inside (house, garage or shed) on Halloween night.

Have a safe and happy Halloween!

The history of Halloween

Wearing a scary costume to overcome fear is not new to Halloween tradition, said FSU religion Professor Walter O. Moore, who studies religious beliefs and practices related to Christian tradition. Halloween, he said, is rooted in the autumn Festival of Samhain in which pre-Christian Celts in Great Britain and Ireland masqueraded as supernatural being to greet the arrival of spirits.

The Celtic community, believing Samhain was a time when the barrier between the supernatural world and their daily existence was down, wore masks in imitation of their supernatural visitors, he said.

"Perhaps the Celts were motivated by fear to wear the masks," Moore said. "They started a practice that has continued throughout the ages as new characters perpetuate the supernatural images."

In medieval times, Christians in England masqueraded as angels and devils in late October while celebrating the church's transformation of the Celtic festival to a Christian observance, Moore said.

In the 20th century, trick or treaters have donned the costumes of Wolfman, Dracula and Frankenstein, Moore said.

"Freddie Krueger is the latest in the evolution of supernatural images," he said.

Why is FPL charging extra?

I would like to know why the customers of FPL have to pay extra every time they go into someone's business to pay their light bill.

These businesses weren't hired by the customers and I don't see why the customers should have to pay.

The economy is already hard for people and I would like to know why FPL put something on us without our knowledge.

Kudos to Glade View teachers

I understand the teachers at Glade View Elementary spent their Monday morning cleaning up the road along SR 715 in Belle Glade.

I'd just like to say thank you to these teachers for doing this.

I wish more people would join the Adopt-A-Highway program and help clean up our roadsides. If I had another wish, I'd wish people would stop trashing our country.

Letters to the editor

Dear Editor:

I was Ken Schrimsher's father-in-law. This death should not have happened.

I have known Ken for 30 years and he was an honest man. The Palm Beach County School Board's investigation and the articles in the Palm Beach Post, in my opinion, were what killed him.

What a loss!

Giant billboard protesting NAFTA makes its way to Washington

Ghost and Goblins will be coming to your door looking for treats, not tricks.....

Homeowners can make their neighborhood safe for trick-or-treaters this Halloween by taking a few simple precautions, according to the home security experts at Rollins Protective Services.

"It is important to inspect your home and yard for obstacles, especially if you expect a lot of late-night trick-or-treaters," advised Bob North, Rollins consumer specialist.

Here are some tips Rollins recommends:

* If possible, an adult should stay at home to welcome trick-or-treaters while another adult escorts children throughout the neighborhood.

* Work with your neighbors to determine safe routes children can take through the yards, driveways, etc., and to encourage early evening trick-or-treating.

* "Clear your garage, lawn and walkway of any tools, toys and other items that may be in harm's way;

* Use electric lights or luminary bags to light your front walk; cut scary faces in the bags to add to the Halloween spirit;

* Signal you're expecting trick-or-treaters by lighting only the door you want them to use; decorating the door helps let them know which entrance you'd like them to knock on during the early hours;

* Keep dogs and other animals under control and away from the front door.

If you don't plan to be home, ask a neighbor to keep an eye on the house. Leave your front door lights off and set your alarm system," added North.

"In addition to the home, parents should continue to practice safety concerning their children's costumes," North said. "Put glow in the dark safety stickers on the costume and the candy bags to help increase visibility."

Police Departments are recommending that Saturday, October 30, be designated as the night for Halloween celebrations and children may "Trick or Treat" from 5 p.m. to 7 p.m. South Bay Police Department is recommending children trick-or-treat on Sunday from 5 p.m. to 7 p.m.

The following are some suggestions to children and parents for a safe Halloween, courtesy of the Belle Glade Police Department.

Costumes:

1. Keep costumes simple. Long and fancy ones could cause children to trip. Costumes should also be fireproof.

2. Costumes should be made of white or light-colored materials, to be easily seen at night. Reflectized patches or strips can also be added to the costume.

3. Regular street shoes should be worn as opposed to fancy "clown" or "pirate" shoes, etc.

4. Props, such as guns or swords, should be made of styrofoam or cardboard.

5. If jack-o-lanterns are carried, a flashlight should be inside instead of a candle.

6. At least one person in each group should carry a flashlight.

Instead of wearing masks, paint faces with make-up.

7. Apply a thin coat of cold cream before applying the make-up (make-up will come off easier).

Treats:

1. Never eat anything until after you are home and the treats have been examined.

2. Cut and wash fruit before eating.

3. Throw away anything unwrapped.

4. Check the wrappers of commercial treats for signs of tampering.

5. Notify the police if a

harmful item is found.

your arms free.

Parties:

1. Older children should attend parties instead of going trick-or-treating.

2. Younger children may enjoy attending a party organized by concerned parents in the area instead of going trick-or-treating.

Trick-or-treat:

1. A responsible adult, or teen, should accompany each group.

2. Try to limit the group size to four or five.

3. Trick-or-treating should be for small children only. If the child is too old to be accompanied, he is too old to go trick-or-treating.

4. Walk! Do not run while going trick-or-treating.

5. Stay in your own neighborhood and only go to houses which have porch lights turned on.

6. Parents should know exactly what route their children are taking.

7. Never enter a strangers house - even if invited.

8. Carry trick-or-treating bags that have handles to keep

Parents:

1. To avoid encouraging children to enter a stranger's house, never invite trick-or-treaters into your home.

2. Give wrapped homemade treats only to children you know and wrapped commercial treats to others.

3. Be certain that your children are accompanied by an adult or a responsible teenager.

4. Know which friends your children will be with.

5. Do not leave your home unattended on Halloween night.

6. Leave your porch light on so children will know it is okay to visit your home.

7. Keep your pets inside (house, garage or shed) on Halloween night.

Have a safe and happy Halloween!

THE SUN, Thursday, October 28, 1993 - 7

This week, we are very proud of the work our girls have done this season and for Coaches Kathy McReynolds, Angie Mann and Sherri Paez!

Thanks to Desmond Harriott who did a fantastic job in chapel last week! Desmond's work with young people in the Glades does not go unnoticed and we appreciate his dedication and service with the Youth for Christ program in our area.

Congratulations to Wally and Cindy Lutz on the arrival of their new baby girl, Emily Anne, born Oct. 18. She joins her brother Chad, who is 2 years old.

The Crusader Family extends our sympathy to the Towell family. We hold you in our prayers.

Tomorrow the football team will travel to John Carroll. Action begins at 1 p.m. Good luck!

Don't forget to move your clocks back one hour on Saturday.

Until next week - Catch the Spirit!

CORNER

It sure is quiet around here. But, no wonder. Our elementary students have been out part of this week as the teachers attended a conference in Pensacola. As of today, they have returned just in time to take their report cards home. Yesterday the high school students were eager to see how they did academically the first nine weeks.

Our Fall Festival was a great success! Thank you to the PTA which sponsored the festival and especially to Donna Throop who headed the entire event. Her husband, Kenny, supervised the

outside construction of booths and lighting. Thanks Kenny! A lot of parents were seen working hard preparing for last week's huge happening. We thank everyone who gave extra time and energy for this Crusader event. Thanks also to those who sang at the entertainment booth, and for Ed Rongione who emceed the entire evening. What a great time we all had!

What does PATCH stand for? Our eighth and 11th graders attended the fifth annual "Planned Approach to Community Health" Day at West Technical Education Center last week. Students from area high schools are invited to attend and learn from practicing professionals about the wide variety of careers in health-related fields. We appreciate those who make this day possible.

The girl's volleyball team has been on the road to Jupiter Christian for district competition.

By Alexa Lutz

On Wednesday, Oct. 20, Glades Central's first "Thespian Drama Challenge" was sponsored by drama teacher, Sarah Bennett. All grade levels competed and provided an entertaining evening for the audience. The results were: Best Actor and Actress ninth grade-Brian Edgecomb and Tamica McBee; Best Actress 10th grade-Stacy Hutchinson and Shawnte Napier; Best Actor and Actress 11th grade-Robert Hammonds and Alexa Lutz; and, Best Actor

and Actress 12th grade-Jason Adams and Tatisha Mosley. Judges for the event were teachers Glen and Laura Hoard, and student council sponsor Linda Edgecomb.

The Overall Best Actor was awarded to freshman Brian Edgecomb. The Overall Best Actress Award was presented to Tatisha Mosley. The grand champion of the first drama challenge was presented to the freshmen for their play, "You're a Good Man Charlie Brown." The cast consisted of Tamica McBee, Yanasha Ford, Herbert Hutchinson, Johnny Loud and Daryl Flintroy. Congratulations for a job well done!

Here are more of the coveted Senior Superlatives. These students will be featured in "The Shield", Glade Central's yearbook for being voted the most outstanding in the different areas.

Friendliest: Demille Comer and Angel Cruz; **Most School Spirit:** O'Neaka Harden and Shelton Harriott; **Most Outspoken:** Tamekah Butler and Shelton Harriott; **Prettiest Eyes:** Leasandra Brown and Kelvin Green; **Most Courteous:** Nicole Higgins and James Powell; **Best Looking:** Tatisha Mosley and Kelvin Green; **Best Dressed:** Sareena Rutledge and James Vickers; **Most Likely to Succeed:** Nicole Higgins and Samer Hahum; and, **Most Intellectual:** Sharon Ricketts and Ramon Pagan.

* **Reminder:** The Homecoming Ball will be held Oct. 30 beginning at 8 p.m. The attire is semi-formal and refreshments will be available. Tickets for the event are \$5 each and can be obtained by contacting any Student Council member.

Glades Central Raiders maul Tigers 32-15, and win area bragging rights

By Paula Burkett
 Staff Reporter

Friday night could have been called the clash of the titans, as the Glades Central Raiders hosted the Clewiston Tigers, in the areas biggest rival game of the year.

The two schools are only 25 miles apart, but both are Class 3A teams. Glades Central is ranked Number 1 in the state poll, while Clewiston is ranked number four. Last year these two teams went head-to-head in the district playoffs to go to state, Glades Central was victorious over the Tigers, but then lost the next playoff game and was also out of the running.

This is the third year in a row that the Raiders have beaten the Tigers, but Clewiston shouldn't feel too bad, the Raiders are undefeated this season, and until Friday night had only allowed 19 points total to be scored against them.

Fred Taylor was outstanding again this week. The senior running back ran for 185 yards on 21 carries, and scored three touchdowns. This week's gain puts Taylor at 1066 yards for the season, and he still has three games to go.

The Raiders defense held the Tigers to minus-yards rushing and 16 yards passing in the first half, and held them to a total of 112 yards rushing for the entire

game, and only allowed the Tigers to make one first down in the first quarter, and only 7 first downs throughout the game.

The Raiders' first drive resulted in a 9 yard touchdown pass to Reidel Anthony. This gave the Raiders a 6-0 lead. Then on the Raiders' second drive they moved the ball deep into Tiger territory. Taylor then ran in for a 10 yard touchdown dragging several Tigers across the goal line with him, giving the Raiders the second TD of the night, but that was only the beginning. The Raiders third drive of the night also resulted in a 7 yard touchdown run by senior fullback James Powe. This put Glades Central ahead of the Tigers by 20 points going into half-time.

The Tigers came back strong in the first half of the third quarter. Junior David Ross returned a kickoff for 32 yards, then on the next play rushed for 13 yards, caught a 11 yard pass and then ran in for the Tigers first touchdown of the night, making the score 20-6.

This seemed to keep the momentum going for the Tigers, on the next kickoff Junior Rosedale Williams recovered a fumble, setting up the Tigers next touchdown made by sophomore Phillip Summers. Ross then ran in for the two-point conversion, making the score 20-15.

Just when the Tigers thought

they were closing the gap, here comes Fred Taylor scoring on a 6 yard run. This was Taylor's second touchdown of the night. The Raiders once again widened the margin.

The Raiders went into the fourth quarter with a 26-15 lead, and who else but Fred Taylor scored one last touchdown on a 20 yard run, putting the Raiders 32-15 over the Tigers.

The Raiders have played seven games and have scored a total of 235 points this season and have only allowed 34 points total to be scored against them.

The win against the Tigers has guaranteed the Raiders a spot in the play-offs. Next week the Raiders play Olympic Heights. This is not a district game but the following game against Fort Pierce Central is the last district game. Glades Central will host this game.

Fort Pierce Central is tied with the Raiders at 4-0 in the district standings. Fort Pierce is 6-2 overall, and Glades Central is 7-0 overall.

The Raiders will host Pahokee Blue Devils for the last regular season game (this is not a district game). Pahokee is 3-0 in district standings and 7-0 overall, and ranked No. 1 in the Class 7-2A poll. This game will be what is referred to as the "Muck Bowl."

Good Luck to both teams.

HERE IT IS, I'VE GOT IT!

Glades Central's Willie McKelvin comes up with the ball, and Raider Tim Allen is there to tell his fellow teammate job well done. The Raiders triumphed over the Clewiston Tigers 32-15. This is the third year in a row that Glades Central has beaten Clewiston. Glades Central's next game will be against Fort Pierce Central, the two schools are tied in the district standings. The Raiders are undefeated this year and so far has scored 235 points this season and held challengers to just 34 points.

Gators pushed Lions to minus yards rushing, "Big D" totally devastating - Offense awesome

By Paula Burkett
 Staff Reporter

The last encounter that Glades Day Gators had with the West Minister Lions was one that they have not forgotten. It was last season, homecoming night the Gators hosted West Minister Lions and the Lions beat the Gators 32-20.

This year the tables have turned. Saturday afternoon was West Minister's Homecoming and they hosted the Gators. This year the Gators' shut out the Lions 45-0.

The Gators kicked off to the Lions to start the game, and this was just the beginning for the Gator defense. They were definitely the "BIG D" this week and before the day was through the Lions had no doubt why they are called the "Big D."

The "Big D" held the Lions to minus-40 yards rushing and a total of minus-25 offense. The Gator defense only allowed the Lions to make one first down the entire game, and they made that in the last minutes of the third quarter. The Gator's "Big D" did not even allow the Lions to move the ball into Gator territory.

The Gators "Wing T" offense scored six touchdowns, three PAT's, ran two two-point conversions, and the defense made a safety for two points.

Quarterback Graham Chaney threw one for three,

rushed for 13 yards on two carries, scored one of the touchdowns, and kicked for three PAT's. One of Graham's passes to Lovell was intercepted by the Lions defense. This is the first time this year that Chaney has been intercepted.

Danny Scott scored early in the first quarter, the PAT failed but this still put the Gators on the board six-0. Scott rushed for 54 yards on nine carries, scoring the first and last touchdown for the Gators. In the second quarter, the Gator's offense moved the ball on a long drive through Lion territory to the ten yard line. It was first and ten, and Patrick Whitehead made two attempts to move the ball but each time was swarmed by the Lions. He was only able to move it a few yards each play, then Chaney attempted to pass but was unable to find an open receiver, but found an opening and ran the ball in for the touchdown.

Jeff Goodale ran in for the two-point conversion, putting eight points on the score board making it 14-0.

The Gators offense once again stormed down the field making it to the Lions four yard line. Jeff Goodale then took it on in for a four yard touchdown run. Wren Sloan ran in for the two-point conversion, putting the gators ahead by 22 points at half time.

The Gators received the ball

to start the second half. Receiving for the Gators was Jeff Goodale. Jeff ran the ball back to the Lion's 45 yard line. A holding penalty was called on the Gators next play, costing them 10 yards, and moving them out of the Lion's territory back to their own 45 yard line.

Then Patrick Whitehead broke loose for a 57 yard touchdown run. Chaney kicked the PAT, putting the Gators 29 points ahead of the Lions. Whitehead rushed for 146 yards on nine carries, scoring one touchdown.

With six minutes remaining in the third quarter, the Lions were able to make their first first-down. Then on the next play Courson sacked the Lion's quarterback for a loss of nine yards making it second and 19 for the Lions from their own nine yard line. An off-side penalty was called against the Lions causing the ball to be moved back five more yards, putting them on their own four yard line. The next play, Ryan Courson and Patrick Altman sacked the Lion's quarterback in the end zone scoring a safety, adding two more points to the Gators lead.

Jeff Goodale scored the Gator's next touchdown on a 41 yard run in the third quarter. Chaney kicked the PAT, making the score 38-0. Goodale rushed for 80 yards on 11 carries, scoring two touchdowns

and a two-point conversion.

In the final minutes of the game Danny Scott scored the Gators final touchdown of the day with Graham Chaney kicking the final PAT, making the final score Gators 45, West Minister 0.

The entire Gator team was dynamite this week. Some of the outstanding defense players were Ryan Courson with four sacks for the day, with Patrick Altman assisting on two of the four sacks.

Ryan Mann, middle linebacker for the Gators, had 12 tackles for the day.

Jonas Barrestam (Swedish exchange student) had a solo tackle in the third quarter.

Glades Day Gators are now 6-1 overall and 4-1 in the district. Next week the Gators will host the LaBelle Cowboys. This will not be a district game, but the Gators will need a win to maintain their position of fifth in the state Class 1A poll.

On November 5, the Gators will travel to Plantation American Heritage for the final district game, to go head to head with coach Byron Walker's team. It will be a must win situation for the Gators to enable them to go to the state playoffs.

The Gators have scored a total of 221 points in seven games, and have only allowed 61 points to be scored against them, and have had four shut outs.

Did you ever wonder what a Raider Fan really looked like? Well here it is, this fan really gets into the game and he/she definitely looks like he is ready to charge.

Pahokee Junior Varsity goes undefeated again, ends season 8-0

By Robbie Everett

Coach Ben Johanson watched intensely as his JV players gave him a 6th undefeated season of his last 10 years. Having trounced Suncoast 48-0 earlier in the season, you'd think he would relax as his coaching career comes to an end.

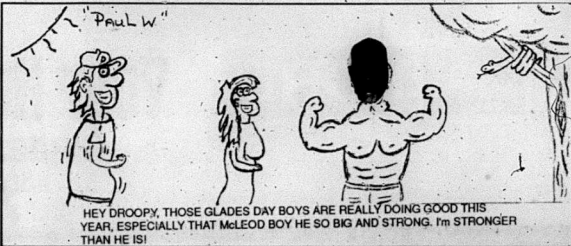

Not so!

He said he couldn't count this as a win until it was over. Several key players were prematurely moved to varsity this week to replace injured players. Assistant coaches Jerome Govan and Herbert Crawford (former players under Johnson) were anxious to sing the praises of Johnson who has

prepared Pahokee youths for varsity and college ball for almost 3 decades.

Junior Stand-out quarterback Jebahres Everett continued his winning way leading the team with hand-off, quick pitches, passes and quarterback keepers.

Glades Day Junior Varsity finished season 5-3, Cox ends season with 1405 yards rushing

By Paula Whitehead
Staff Reporter

The Junior Varsity Gators ended their season 5-3, after their 14-29 loss to LaBelle Thursday night.

Both teams scored in the first quarter with LaBelle scoring first, then the Gators followed up with a touchdown made by Stacy Cox, and Duke Turner ran in for the two-point conversion, making the score 8-7. Then here came the Cowboys with their second touchdown of the quarter making it 8-14.

Neither team scored in the second or third quarter. But in the fourth quarter both teams came alive with Glades Day scoring their second touchdown of the night making the score 14-14 then once again here came the Cowboys scoring two touchdowns in the last quarter leaving the Gators behind 14-29.

Stacy Cox rushed for 203

yards on 29 carries, and scored two touchdowns. Stacy is the leading rusher for the JV Gators, he finished the season with 1405 yards on 160 carries. Cox was also 2-4 with 49 yards passing. Stacy will move up to the varsity team starting with next weeks game against LaBelle Cowboys.

Wesley Bruen rushed for 73 yards on 16 carries. Wesley finished the season with 410 yards rushing on 100 carries.

Duke Turner rushed for 6 yards on 3 carries and scored a two-point conversion. Duke finished the season with 47 yards on 13 carries.

Heath Norman completed 1 of 5 for 8 yards. Heath finished the season 11-30 for 164 yards.

Jarad Davis was 1 for 8 against the Cowboys.

On the defense Ryan Checkley had 3 tackles and 4 assists against LaBelle finishing the season with 21 tackles and 29 assists.

Clay Hughes made 4 tackles and 2 assists in Thursday night's game.

Thomas Norman finished the season as the Gators leading tackler with 25 tackles and 41 assists, making 2 tackles with 4 assists against the LaBelle Cowboys Thursday night.

David Hurley had 2 tackles and 4 assists against the Cowboys, ending his season with 20 tackles and 30 assists.

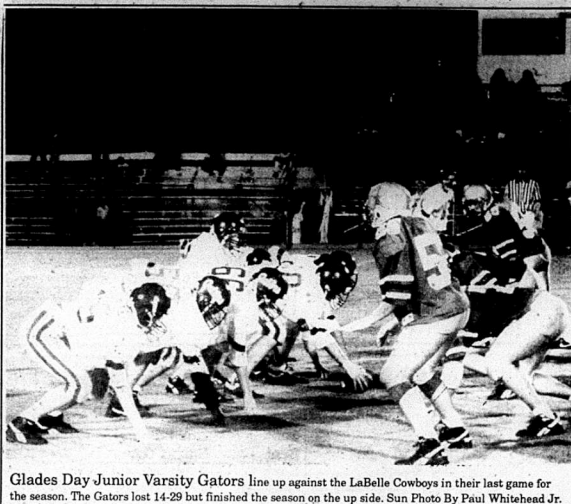

Pablo Sanchez ended the season with 21 tackles and 34 assists.

Calab Evans ended his season with 13 tackles and 30 assists.

Some of the JV players will now advance to the varsity team. This will give added strength to an already dominating Gators team.

The JV team had a real good season this year.

Congratulations Gators on all your wins!

Pahokee JV undefeated again, ending with great record continued from page 1.....

He scored his first TD on a quarterback bootleg to the right for 35 yards. Everett connected with sophomore stand-out Jeremy Hanna on a 55 yard pass boosting his total TD passes to 12 this season.

Sophomores stand-out Jeremy Hanna, Linwood Johnson and Lafann Williams combined for 4 TD's/32 pts. Hanna scored the first TD of the game culminating a 5 play 70 yard drive. Johnson caught a quick pitch from Everett running it in 31 yards for a TD. Lafann Williams scored the final TD on a 12 yard run with Freshman James Burroughs adding the two point conversion.

Everett Burroughs, a free safety/wide receiver, has connected this year for several exciting plays. Burroughs has taken a lateral pass and connected downfield with Jannard Jackson for a TD.

The defense held Suncoast

offense repeatedly to no more than 4 downs. Suncoast threatened to score once when Pahokee fumbled on the 20 yd line. They were unable to convert as the defense held them to 8 yds on 4 down.

Junior Jebahres Everett, quarterback ended his season with 12 touchdown passes and one touchdown.

Freshman James Burroughs, FS/WR, ended his season with six touchdowns.

Sophomore Linwood Johnson, LB/RB, finished with five touchdowns.

Sophomore Roy Smith, Corner had 9 tackles for the season.

Freshman Bennie Murvin, Jr. CB had 9 tackles for the season.

Freshman Henry Ware, SS/RB was the leading tackler for the season with 70 tackles, 2 interceptions and four touchdowns.

Junior Corey Pate, FS had

seven interceptions for the year.

Sophomore Lafann Williams, RB ended his season with nine touchdowns.

Sophomore Jeremy Hanna, TE/DE, had three quarterback sacks and 10 touchdowns for the season.

Sophomore Tremetic Noble, NG finished the season with 12 tackles.

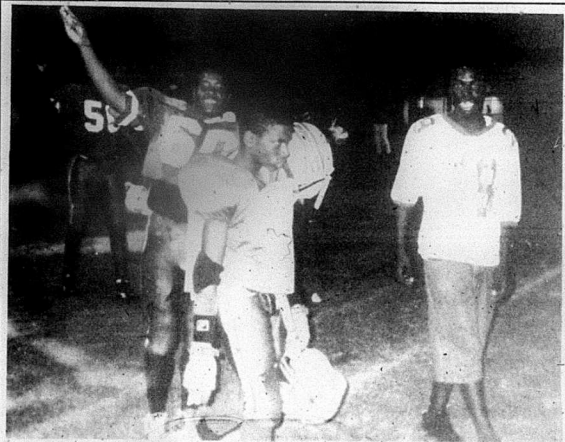

Sophomore Fredrick Smith, OT/LB had a great season finishing with 60 tackles.

Sophomore Darrell Dean, DT/OT fished his season record with 54 tackles.

The Junior Varsity Blue Devils finished with an 8-0 record. Scored a total of 220 points and held offenders to only 69 points.

The JV team would have gone head-to-head next week with Forest Hill but the game is a forfeit on Forest Hill's behalf.

Congratulations Blue Devils

WHIPLASH

Whiplash injuries can result from a sudden backward and forward whipping movement of the neck, caused by an auto collision, a fall, a powerful slap of the back, or even a violent sneeze. The ligaments and muscles controlling the spinal segments are stretched or sprained, allowing the vertebrae to slip into abnormal positions. Nerves are then "pinched" or irritated, giving rise to headaches, nausea, dizziness and other pain.

Pahokee homecoming activities announced

A homecoming dance will be held in the gym. Admission is \$3 with identification, and \$6.50 without identification.

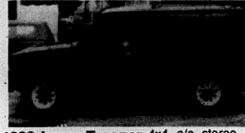

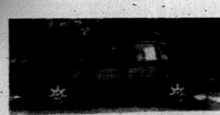

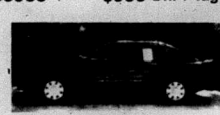

1. No tractors will be allowed in the parade.
2. Proof of liability insurance is required and a copy should be submitted with the parade entry form.
3. All entries participating in the parade must be supervised by sponsors at all times.
4. Pahokee Middle Senior High School will not be responsible for any injuries or accidents.
5. Please take added precautions to ensure the safety of all.

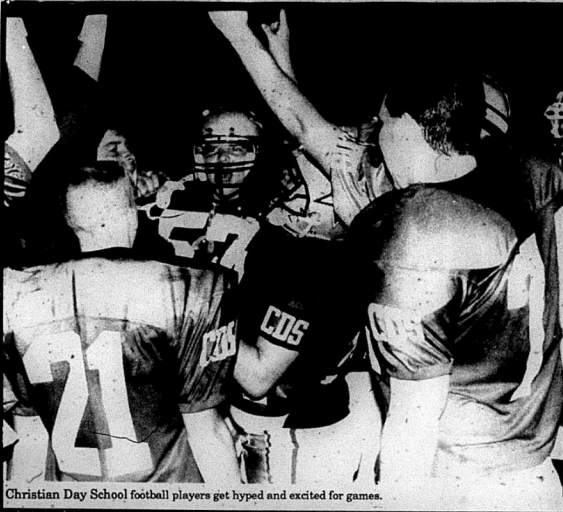

Glades Central Quarterback/Defensive Back Andre Tommie gets pointers from Head Coach Rick Casko during a football game.

Babb also did his part in helping to preserve the win when he stripped Viking Keith Williams of the ball near midfield with five minutes left in the ball game. The quick thinking of the Blue Devils enabled them to recover
